ZOEDONE

ZOEDONE
THE NEW DRINK
A restoring & stimulating, but non-alcoholic BEVERAGE

Letter from Dr. Lucas, Bombay, Medical Dept. Author of the Elements of Indian Hygiene etc.

"I am of opinion that your invaluable aerated beverage Zoedone deserves the highest attention at the hands of the Indian public. It is not only a health giving drink but essentially, containing as it does the quadruple phosphoric acid, it would see it introduced into hotels, restaurants, regimental messes and canteens. To weakly females it would be a most beneficial tonic, and to the men of their own health, but that of their offspring the future generations of men and women. I need scarcely allude to its indication as a remedial and dietetic agent in cases of material cachexia, plethoric etc."

Letter from Geo. S. A. Rankin, M.A. M.D., Cantabrigia, Surgeon, Indian Medical Department.

"I am of opinion that in Zoedone is to be found a complete solution of the problem of food, a beverage which shall assure health, restore nervous power, and while being palatable, be also non-alcoholic. It is my firm conviction that Zoedone is introduced into India will meet the requirements of those who wish to restore their nervous system without impairing their liver."
